WE beg to hand you this CATALOGUE, hoping that it may often be of service.

The Cuts, without exception, original and modern, while representing but a few of the endless variety of our manufacture, can be considered as suggestive of our facilities and high grade of workmanship.

With an immense plant, equipped with the very latest and most complete labor saving machinery, we are prepared to furnish anything in the line of

Iron or Steel, Ornamental or Structural,

regardless of design or competition, and take pleasure at all times in submitting estimates, also additional designs, for anything in this line.

Hoping to merit a share of your esteemed patronage, we remain,

Very respectfully,

THE UNION IRON and FOUNDRY CO.
